**Digital Core  
Programming**

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	3.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	336.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	6.5
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Teen Kids News is the first kid-to-kid newscast, created for and delivered by children. Hosted by a diverse news team made up of young "journalists" reporting from a professional news set and from the field on stories of interest and educational value to its own audience. Emphasis on diversity and experience to develop a cast of engaging and intelligent African-American, Hispanic, Asian and Caucasian male and female child actors who interact with each other--and connect to the viewers. Meets the needs of children whose sophistication and curiosity about their world is motivated by the information explosion.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	On each episode of Vacation Creation with Tommy Davidson and Andrea Feczko, our hosts guide one deserving family on amazing adventures as they experience a new destination together on their family vacation. As our featured family embarks on an interactive voyage filled with immersive learning opportunities, each episode brings us to diverse locations where our family -and viewers- discover unique cultural events, food, activities, and traditions. From discovering the wondrous glaciers of Alaska to learning from the Moko Jumbie of the Virgin Islands, viewers will witness the importance of spending time with family and friends as our featured families experience amazing adventures together, often learning more about each other and their own family history along the way. Teens will also learn the importance of resiliency during challenging times as many featured families share their stories of overcoming adversity, finding ways to bond and heal while sharing these once-in-a-lifetime experiences.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Rescue Heroes is a live action, half-hour television program designed to meet the educational and informational needs of children aged 13-16. Rescue Heroes showcases the stories of men and women braving natural disasters with one goal: to rescue the victims and help restore their lives. Hosted by meteorologist Ginger Zee, Rescue Heroes will guide viewers through fascinating weather events while delivering unique takeaways into the causes of many kinds of disasters, as well as how we can properly prepare for them, and collectively overcome them. Each week, viewers will witness first-hand the worst of nature but the best of humanity. Rescue Heroes will take audiences on a journey where they'll experience recent natural disasters such as hurricanes, tornadoes, wild fires and floods. Teen viewers will learn more about the causes and science behind these events, while witnessing the heroic efforts of first responders across the nation.

Program Title	Teen Kids News (WJXX 25.2) (Doppler Channel)
Origination	Syndicated
Days/Times Program Regularly Scheduled	Saturdays/8:00-8:30AM ET
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Teen Kids News is the first kid-to-kid newscast, created for and delivered by children. Hosted by a diverse news team made up of young "journalists" reporting from a professional news set and from the field on stories of interest and educational value to its own audience. Emphasis on diversity and experience to develop a cast of engaging and intelligent African-American, Hispanic, Asian and Caucasian male and female child actors who interact with each other--and connect to the viewers. Meets the needs of children whose sophistication and curiosity about their world is motivated by the information explosion.

Programming.

Hearts of Heroes is a live action, half-hour television program designed to meet the educational and informational needs of children aged 13-16. Hearts of Heroes showcases the stories of men and women braving natural disasters with one goal: to rescue the victims and help restore their lives. Hosted by meteorologist Ginger Zee, Rescue Heroes will guide viewers through fascinating weather events while delivering unique takeaways into the causes of many kinds of disasters, as well as how we can properly prepare for them, and collectively overcome them. Each week, viewers will witness first-hand the worst of nature but the best of humanity. Hearts of Heroes will take audiences on a journey where they'll experience recent natural disasters such as hurricanes, tornadoes, wild fires and floods. Teen viewers will learn more about the causes and science behind these events, while witnessing the heroic efforts of first responders across the nation.
