Age of Target Child Audience	13 years to 16 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	In this weekly half-hour series developed and produced to educate and inform viewers 13-16, our hosts scan the country finding those who "pay it forward" to promote health and wellness. The remarkable people that viewers meet are referred to as "agents of change", special individuals who are making big changes in people's lives, one small step at a time. Everyday Health is a series that uniquely raises awareness to help fight obesity, raise self-esteem, establish physical fitness habits and prevent negative health choices. An inspirational program about people who confront challenges by taking control, Everyday Health, through captivating storytelling, reports on amazing teens and other selfless Americans who are "paying it forward", with good will and new ideas that will inspire other teens to take action.
