Broadcaster Information and Transition Plan

Question	Response
Will the station be sharing equipment with another broadcast television station or stations (e.g., a shared antenna, co-location on a tower, use of the same transmitter room, multiple transmitters feeding a combiner, etc.)? If yes, enter the facility ID's of the other stations and click 'prefill' to download those stations' licensing information.	No
Briefly describe transition plan	Add Top mount antenna above current antenna and replace transmission line. Replacement of current mounting required including support pole and wedding cake to meet Rev G. Replace current transmitter.

Transmitters

Section	Question	Response
