| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Young, enthusiastic and passionate about food, Claire Thomas is the 22 year old host who opens viewer's eyes to how everyday life can inspire culinary creations in Food for Thought. Each weekly half-hour, produced for ages 13-16, informs and educates teens about the power of food as a tool for exploring new places, meeting new people and learning about different cultures. Claire serves as a role model for 13-16 year old viewers by showing her passion for her family, life, and healthy living by sharing stories in the kitchen. Creative inspiration can come from any place at any time - sometimes from family, sometimes from friends, or even from bloggers needing her help. No matter how exotic or local the location, she's always in search of new tastes and places to explore. Based on her unique perspective gathered throughout each episode, Claire will teach the audience how to prepare the "inspired" dish while promoting a healthy attitude towards food and life. |
