Digital Core
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	3.5
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	336.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	5.96
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Ready, Set, Pet is a live action, half-hour television program designed to meet the educational and informational needs of children aged 13-16. Hosted by Phil Torres, this series will educate and inform teens and their families about pet adoption, responsible pet ownership, and the importance of a green space for pets. Each episode, Phil will guide a family through the pet adoption process after a careful look at their unique situation to help them make an informed decision in finding the right pet for their lifestyle. While the family visits local shelters and rescues, experts revitalize their outdoor space to make a safe and eco-friendly home for their new pet. In the end, viewers will see family members overcome their disagreements and make the tough decision on which pet will join the family. Ready, Set, Pet will teach viewers that thoughtful preparation is key when learning to care for an animal's needs. Main Digital.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Hosts Rob and Treger Strasberg run a non-profit dedicated to helping deserving families in transition by turning their house into a home - and changing lives along the way. Each episode, we meet a family emerging from difficult circumstances as they finally move into a new living space to call their own. To help the family with their fresh start, Treger, Rob and a dedicated team of designers and volunteers will transform the family's bare house into a warm home by using goods and services donated by people in the community. Welcome Home will teach viewers the importance of giving back in their communities, to never give up when faced with a tough situation, and gratitude for the basic living necessities that we often take for granted. Main Digital.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Chicken Soup for the Soul's Animal Tales is a live action, half-hour television program designed to meet the educational and informational needs of children aged 13-16. Chicken Soup for the Soul's Animal Tales centers around our love for animals and the impact they have on our lives. Each episode uncovers stories about amazing and inspiring people from around the world who go above and beyond to care for, love, help, and defend animals everywhere. Viewers will meet animal rescue teams and dedicated animal advocates helping lost pets find forever homes, and even meet some of the incredible pets serving and assisting people in need, including military K9s and therapy animals. Chicken Soup for the Soul's Animal Tales will teach viewers to honor the unconditional bond between people and their pets, and how animals change lives. Viewers will learn some of the responsibilities that come with caring for our four legged friends. Main Digital.
