Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Hearts of Heroes showcases the stories of men and women braving natural disasters with one goal: to rescue the victims and help restore their lives. Hosted by meteorologist Ginger Zee, Hearts of Heroes will guide viewers through fascinating weather events while delivering unique takeaways into the causes of many kinds of disasters, as well as how we can properly prepare for them, and collectively overcome them. Each week, viewers will witness first-hand the worst of nature but the best of humanity. Hearts of Heroes will take audiences on a journey where they'll experience recent natural disasters such as hurricanes, tornadoes, wild fires, and floods. Teen viewers will learn more about the causes and science behind these events, while witnessing the heroic efforts of first responders across the nation. This program will air on the station's main digital program stream.
