Digital Core
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	3.5
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	504.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	10.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Program Title	Animal Rescue
Origination	Syndicated
Days/Times Program Regularly Scheduled	Sundays 12pm-12:30pm
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	"Animal Rescue" serves the educational and informational needs of children 13-16 years of age with its program content, including safety tips and real life in-the-field experiences of professional and ordinary people taking care of, treating and helping various animals. The program exerts an extremely positive influence on young viewers; the stories are wonderful illustrations of the best of human instincts. Its particular strengths are its themes of respect and compassion for all living creatures, its informative instruction on medical rehabilitation treatments and the techniques and teamwork of rescue personnel. It provides valuable information to young viewers about the animals themselves, their habits, development and behavior, and also promotes awareness of important environmental issues. "Animal Rescue" strongly promotes the kind of pro-social values that are of inestimable importance in shaping the growth and character of young people. This program will air on the station's digital subchannel 18.2.

Program Title	Career Day
Origination	Syndicated

Days/Times Program Regularly Scheduled	Sundays 1:30pm-2pm
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	"Career Day" is a television program that introduces young adults to career exploration and awareness. Students often do not know what they want to do and are unsure of potential interests they may have that could be a career. "Career Day" provides an avenue to view experts in their respective fields as they discuss their work, the education/training to prepare for the job, and experiences that led them to choose their career. "Career Day" complies with the FCC Children's Television Rules by furthering the educational and informational needs of children 13 years of age and up. This program will air on the station's digital subchannel 18.2.
