Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Give is a live action, half-hour television program designed to meet the educational and informational needs of children aged 13-16. Give introduces viewers to the world of philanthropy through the stories of small charities making a big impact. The series features Jenna Bush Hager, actor Blair Underwood, and other passionate celebrity philanthropists from film and television, music, sports, or business who are all on a mission to inspire others to do good. In each episode of Give, one of these celebrity ambassadors will visit two charities that are dedicated to inspiring change in their communities. We will discover what makes these charities effective, learn what each needs to make an even bigger impact, and surprise them with a gift to help continue their good work. Audiences will meet the inspiring individuals and volunteers behind each organization to see how they do their part to make the world a better place, learning compassion and the value of giving back along the way.

Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Hosted by Emmy Award winning actress Mariette Hartley Wild About Animals an EI show travels the globe to bring viewers fascinating stories. Watch the march of the penguins in the Arctic a spectacular safari to Africa or an amazing visit to the Australian Outback. Whether its a story about the mysterious creatures of the ocean or a tale of the critters in our own backyard this series offers the best in family friendly programming while targeting the teen audience.

Certification

Question	Response
