Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Zoo Clues is a 30 minute program specifically created for young people between the ages of 13 and 16. The program's presentation mix of narration, visuals, and very well chosen topics delivers education and information while it entertains. Zoo Clues will leave viewers with a meaningful perspective about animals and meaningful comparison to their own human characteristics. The show's clever narration links disparate information together in a way that always makes clear that what viewers see is real, natural, and relates to their own life in the real world.
