Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Animal trainer Brandon McMillan operates a training facility known as the Lucky Dog Ranch, where his mission is to rescue hard-to-love and untrained dogs and find them homes. The show focuses on exercising responsibility and on developing a sense of appreciation for life and animals. Life lessons are an integral part of the overarching theme of rescuing these animals from death and providing a second chance for life. Following McMillan's investigations into how to retrain these animals to make them welcome members in the homes of families is both educational and inspirational - encouraging this demographic to become sensitive to our own and others' behavior and teaching how we as individuals can make a difference. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Animal Exploration with Jarod Miller is a half-hour live action television program designed to meet the educational and informational needs of children from 13-16 years of age. Each week Jarod looks at exotic and domestic animals from his own unique perspective. Every week Jarod travels to zoos and aquariums to explore animals that fit a particular theme, whether it's the need for speed or animal heroes-there's always something amazing happening. Filled with energy, youth and humor, Jarod is a welcome visitor in living rooms around America on a weekly basis. It is the mission of this program to inspire viewers, children and adults alike, to preserve the innate human instinct to explore. The producers design each episode to reveal to children the world around them in a way that identifies positive role models and pro social values within an environmentally responsible universe. Each episode will display the recommended rating TV-G E/I from beginning to end.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Wild America's key educational objective is to familiarize children with the animals of the North American content, their interaction with other animals and their environment. Throughout the series emphasis will be placed upon protecting endangered species and the impact that humans have while interacting in their environment. Each episode is specific to a particular animal. Topics range from basic food gather, mating, natural enemies, relationships to other animals, and the interaction of the specific ecology on the survival of the species. Children viewing the program will achieve a greater understanding of nature and specific animal species because of the up close and detailed photography of the series. Through this understanding, it is hoped children will better relate to the natural environment as it exist in North America and learn to protect its natural species. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core programming as specified in the Commission's rules

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Animal Exploration with Jarod Miller is a half-hour live action television program designed to meet the educational and informational needs of children from 13-16 years of age. Each week Jarod looks at exotic and domestic animals from his own unique perspective. Every week Jarod travels to zoos and aquariums to explore animals that fit a particular theme, whether it's the need for speed or animal heroes-there's always something amazing happening. Filled with energy, youth and humor, Jarod is a welcome visitor in living rooms around America on a weekly basis. It is the mission of this program to inspire viewers, children and adults alike, to preserve the innate human instinct to explore. The producers design each episode to reveal to children the world around them in a way that identifies positive role models and pro social values within an environmentally responsible universe. Each episode will display the recommended rating TV-G E/I from beginning to end.
