Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	WAWV-TV began carrying the digital networks GRIT and Bounce-TV on digital sub-channels 38.2 & 38.3 respectively on Monday, August 22, 2016. WAWV-TV passes through the signals of these networks with no local programming insertion. These digital networks provide their own core E/I programming which is reflected in this report. On 07.25.17 at 8:43 p.m., WAWV experienced antennae and transmitter equipment failure. While repairs are being made, the station is transmitting at low power and is unable to broadcast digital networks GRIT and Bounce-TV. At this time, a final repair date is not determined. On 2.09.18 at approximately 9 p.m., WAWV slightly increased power and reinstated transmitting GRIT and Bounce-TV. Repairs are still in progress. On 5.15.18 at approximately 1:30 p.m. antennae repairs were completed and WAWV was restored to full power. As detailed above in the Digital Core Programming Section, and due to coverage of Senator McCain's Funeral, the station's regular Saturday KidVid programming was preempted for breaking news on September 1, 2018.
