Digital Core
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	3.5
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	168.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	3.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This program explores connections in history which affect pop culture and our lives today. Using a unique flowchart style, the program draws surprising connections between such subjects such as what do Justin Bieber and Cleopatra have in common, or what connection did John Wilkes Booth have to Abraham Lincoln, or what do cavemen have to do with pancakes. Through these comparisons, the program introduces the viewer to American history, Greek mythology, and architecture, as well as fashion and pop culture, and inspires the viewer to learn more about the subjects. This program aired on the main digital stream (35.1).

Email Address	vrodriquez@deerfieldmediainc.com
Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	The owner and Sinclair Broadcast Group, LLC. continue to broaden its recruiting outreach by effectively establishing communication with recruiting resources in the broadcasting community, professional organizations, community based organizations and outreach through our corporate and local station job opportunities websites. Examples of the efforts made by stations in this employment unit include an ongoing internship program with regional colleges and high schools. Our department managers attend job fairs at local and regional colleges in an effort to recruit candidates with an interest in a broadcast related field. We have also had numerous local schools come to our station for tours, and our news staff has gone directly to schools to speak to them about careers in Broadcasting. In addition, our station participates in high school career workshops that introduce broadcasting careers to high school and middle school students.
