Digital Core
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	3.38
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	672.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	12.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Skoored features teenage students and classroom teachers trading roles with each other. The series explores a unique perspective, students teaching teachers. Both students and teachers better understand what it means to be the other. The students prepare lessons for their teachers and discuss as a group the appropriate grade for each teacher. The teen students learn how difficult it is for teachers today while teachers get a lesson in being students. This unusual role reversal teaches kids and adults important differences and each episode addresses concerns each has with the other.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This series will educate and inform teens and their families about pet adoption, responsible pet ownership, and the importance of a green space for pets. Each episode, Phil will guide a family through the pet adoption process after a careful look at their unique situation to help them make an informed decision in finding the right pet for their lifestyle. While the family visits local shelters and rescues, experts revitalize their outdoor space to make a safe and eco-friendly home for their new pet. In the end, viewers will see family members overcome their disagreements and make the tough decision on which pet will join the family. Ready, Set, Pet will teach viewers that thoughtful preparation is key when learning to care for an animal's needs.

Liaison Contact

Question	Response
Does the Licensee publicize the existence and location of the station's Children's Television Programming Reports (FCC 398) as required by 47 C.F.R. Section 73.3526(e)(11)(iii)?	Yes
Name of children's programming liaison	Vickie Broughton
Address	6301 Bandel Road NW
City	Rochester
State	MN
Zip	55901
Telephone Number	(507) 535-8914
Email Address	vbroughton@kttc.com
Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	One or more episodes of children's programming that was preempted during the quarter was not rescheduled. The Digital Core Programming Summary section of the report would not permit the station to include preemption reports for such unrescheduled preemptions, and FCC Staff has advised that no preemption report for such unrescheduled episodes is necessary. Starting May 1, 2019 KTTC added a multicast channel to our station. Specifically, we added Justice TV. Then on May 8, 2019, KTTC added another multicast channel to our station: Court TV. Each of these multicast program streams aired at least 3 hours of children's Core E/I programming each week that the streams aired on on our station.
