**Digital Core  
Programming**

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	3.5
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	168.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	3.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Did I Mention Invention? is a live-action, half-hour television program designed to meet the educational and informational needs of children ages 13 to 16. Hosted by Alie Ward, Did I Mention Invention? brings viewers fascinating stories of invention while shining a light on everyday innovators. With each episode, Alie will present reports of human ingenuity and inspiration from around the United States and, in some cases, around the world. Viewers will learn about innovators young and old, what it takes to bring their vision to life, and little known facts about the history and process of invention and innovation. Did I Mention Invention? will ignite a spark within the hearts and minds of audiences, encouraging viewers to try their own hand at creating something new. Main Digital Channel.

Length of Program	30 mins
Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Ready, Set, Pet is a live-action, half-hour television program designed to meet the educational and informational needs of children ages 13 to 16. Hosted by Phil Torres, this series will educate and inform teens and their families about pet adoption, responsible pet ownership, and the importance of a green space for pets. Each episode, Phil will guide a family through the pet adoption process after a careful look at their unique situation to help them make an informed decision in finding the right pet for their lifestyle. While the family visits local shelters and rescues, experts revitalize their outdoor space to make a safe and eco-friendly home for their new pet. In the end, viewers will see family members overcome their disagreements and make the tough decision on which pet will join the family. Ready, Set, Pet will teach viewers that thoughtful preparation is key when learning to care for an animal's needs. Main Digital Channel.

Length of Program	30 mins
Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Welcome Home is a live-action, half-hour television program designed to meet the educational and informational needs of children ages 13 to 16. Hosts Rob and Treger Strasberg run a nonprofit dedicated to helping deserving families in transition by turning their house into a home and changing lives along the way. Each episode, we meet a family emerging from difficult circumstances as they finally move into a new living space to call their own. To help the family with their fresh start, Treger, Rob, and a dedicated team of designers and volunteers will transform the family's bare house into a warm home by using goods and services donated by people in the community. The new home will provide much needed stability to meet the family's specific needs, stimulate their interests, and promote their goals. Welcome Home will teach viewers the importance of giving back in their communities, to never give up when faced with a tough situation, and gratitude for the basic living necessities that we often take for granted. Main Digital Channel.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The focus of the program is young people, always letting them tell their stories in their own words. The large, diverse news anchor team is unique in television and has a great appeal to kids who identify with and emulate them. This program will serve the audience in a way that will make a difference in its viewers' lives. It will insert the clear voice of the kid into the adult-dominated media and provide a unique perspective to the news that is not currently available on network television. Emphasis is on diversity and experience to develop a cast of engaging and intelligent African-American, Hispanic, Asian, and Caucasian male and female child actors who interact with each other and connect to the viewers. Main Digital Channel.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Chicken Soup for the Soul's Hidden Heroes, hosted by Brooke Burke-Charvet, is a television series developed for teens in which each episode reveals everyday people showing compassion and kindness towards strangers simply out of the goodness of their hearts. They are not looking for recognition, but we believe their amazing stories deserve to be told. Viewers will learn that volunteering, philanthropy, and giving back to the community are within everyone's reach. Main Digital Channel.
