Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	On the station's main digital stream Atencion Atencion was suspended during the quarter from May 11 to June 8, 2019. Around May 8, 2019 Univision Network was made aware of public accusations and an ongoing investigation against one of the former bandmembers of Atencion Atencion. After discussions with the production company, the band member was removed from all episodes of this program. The program was subsequently placed back into the E/I rotation on June 15, 2019 in its regularly-scheduled timeslot. Due to the extraordinary circumstances of this matter, Univision Network aired an extended hour of Planeta de Ninos (Kid's Planet) at 9:00AM-10:00AM ET.
