Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Human Nature (Naturaleza Humana) is a unique program of social and emotional learning that will build character and decision-making capabilities and lead to have a well balance life in a prosperous society. Animals have qualities that some humans should follow as examples, for instance; generosity, solidarity, perseverance, confidence, humility, tolerance, patience, integrity and self-control. This show was created to help recover and reinforce human values. Each animal guest will share their story and qualities, the cow will share about practicing generosity when she feeds everyone and the butterflies will teach us about accepting our differences. The program includes games and trivia. Viewers will receive a practical vision of good behavior at school, home and in the community and help them be better humans every day.

Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	On May 8, 2019 the Cheddar Network was replaced by Univision Network. Atencion Atencion was suspended during the quarter from May 11 to June 8, 2019. Around May 8, 2019 Univision Network was made aware of public accusations and an ongoing investigation against one of the former bandmembers of Atencion Atencion. Pending further developments in the investigation, Univision Network pulled the show off the air immediately. After discussions with the production company, the band member was removed from all episodes of this program. The program was subsequently placed back into the E/I rotation on June 15, 2019 in its regularly-scheduled timeslot. Due to the extraordinary circumstances of this matter, Univision Network aired an extended hour of Planeta de Ninos (Kid's Planet) at 9:00AM-10:00AM ET.
