Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	When Scripps acquired the station on Thursday April 4th, it aired the programming from Escape until the Court TV channel was relaunched on Wednesday May 8th. At which time the programming changed as did the children's programming offerings. That is why there are five airings of one set of shows and eight airings for another set of shows.
