Program Title	LUCKY DOG
Origination	Network
Days/Times Program Regularly Scheduled	Saturdays 7-7:30AM
Total times aired at regularly scheduled time	8
Total times aired	8
Number of Preemptions	0
Number of Preemptions for other than Breaking News	0
Number of Preemptions Rescheduled	0
Length of Program	30 mins
Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Animal Trainer Brandon McMillan operates a training facility know as the Lucky Dog Ranch, where his mission is to rescue hard-to-love and untrained dogs and find them homes. The show focuses on exercising responsibility and on developing a sense of appreciation for life and animals. Life lessons are an integral part of the overarching theme of rescuing these animals from death and providing a second change for life. Following McMillan's investigations into how to retrain these animals to make them welcome in the homes families is both educational and inspirational - encouraging this demographic to become sensitive to our own and others' behavior and teaching how we as individuals can make a difference. This program is specifically designed to further the educational and informational needs of children, and educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.

Program Title	DR. CHRIS PET VET
Origination	Network
Days/Times Program Regularly Scheduled	Saturdays 7:30-8AM
Total times aired at regularly scheduled time	8
Total times aired	8
Number of Preemptions	0
Number of Preemptions for other than Breaking News	0
Number of Preemptions Rescheduled	0
Length of Program	30 mins
Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Chronicling the adventures of Dr. Chris Brown, DR. CHRIST PET VET allows viewers unique insight into the life of one of the world's busiest vets and the animals that he treats. For those animals that require specialist services, Dr. Chris calls on his good friend and colleague Dr. Lisa Chimes, who works at a small animal specialist hospital. The show usually consists of three segments, following the doctor as he treats various animals that are in trouble and offering the viewer opportunities to understand the challenges a veterinarian daily faces. The series focuses on how the doctor investigates the individual problem and tries to develop solutions that on the surface would seem confounding to the viewer. As such the show not only offers a view into careers in and responsibility for taking care of pets, but also into problem solving strategies and behaviors. This program is specifically designed to further the educational and informational definition of Core Programming as specified in the Commission's rules.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	CULTURE CLICK is a weekly half-hour series that explores the genesis of and reasons behind cultural events that permeate our everyday lives. Developed and produced for viewers aged 13-16, host Nzinga Blake opens each episode from her virtual reality set with a list of what's trending on search engines that week. These topics will serve as a jumping-off point for a deep dive into the culture viewers 13-16 will embrace. Each week Nzinga will analyze and answer the questions that shape our society - using the power and speed of the internet and user-generated questions and content. Experts in pop culture will join her to add insight and historical perspective. And most importantly, viewers will come away with a week's worth of "aha" moments to share with their friends and family. Six degrees of separation takes on a whole new meaning, and there's no limit to what viewers will learn when they experience CULTURE CLICK.

Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	Gray Television Licensee, LLC acquired WAGM-TV on July 1, 2015. WAGM's weatherpersons visit area schools to educate children about weather. WAGM News reporters/anchors also visit area schools, trade fairs, job fairs to educate children on information about being a news reporter/anchor and careers in broadcasting. WAGM offers tours of the station to local schools and community associates to demo state the diversity of broadcasting and what it's all about. WAGM airs "The Outdoorsman" whose format is FCC friendly (EI) educational blends on world class adventures and international locations, environmental and conservation issues teaching kids of all ages about important aspects of the format. WAGM produces Athlete of the Week, highlighting High School Athletes in a weekly sports segment of NewsSource8. WAGM also produces "Adopt A Pet," a weekly news segment featuring a pet for adoption and local humane societies. WAGM airs PSA's against texting and driving as well as drunk and buzzed driving. WAGM produced a PSA sponsored by Community Voices which highlights underage drinking. WAGM airs PSA's against bullying. WAGM produces and airs "Pause for Paws", a one minute sponsored PSA featuring a local veterinarian providing tips on the care of animals. WAGM airs a weekly segment on Mondays in our 6AM News titled "Making the Grade" sponsored by Aroostook Aspirations which is an organization that is dedicated to the education, inspiration and leadership of future generations of Aroostook County youths, especially students that are at risk. WAGM also offers a college scholarship of \$1000 a year each for two years to two prospective college students. They must fill out a form and send in an essay to be eligible. WAGM also produces and airs PSA's on the effects of marijuana, opiods and other drugs.

Program Title	LUCKY DOG
Origination	Network
Days/Times Program Regularly Scheduled	Saturdays 10-10:30AM
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Animal Trainer Brandon McMillan operates a training facility know as the Lucky Dog Ranch, where his mission is to rescue hard-to-love and untrained dogs and find them homes. The show focuses on exercising responsibility and on developing a sense of appreciation for life and animals. Life lessons are an integral part of the overarching theme of rescuing these animals from death and providing a second change for life. Following McMillan's investigations into how to retrain these animals to make them welcome in the homes families is both educational and inspirational - encouraging this demographic to become sensitive to our own and others' behavior and teaching how we as individuals can make a difference. This program is specifically designed to further the educational and informational needs of children, and educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.

Program Title	DR. CHRIS PET VET
Origination	Network
Days/Times Program Regularly Scheduled	Saturdays 10:30-11AM
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Chronicling the adventures of Dr. Chris Brown, DR. CHRIST PET VET allows viewers unique insight into the life of one of the world's busiest vets and the animals that he treats. For those animals that require specialist services, Dr. Chris calls on his good friend and colleague Dr. Lisa Chimes, who works at a small animal specialist hospital. The show usually consists of three segments, following the doctor as he treats various animals that are in trouble and offering the viewer opportunities to understand the challenges a veterinarian daily faces. The series focuses on how the doctor investigates the individual problem and tries to develop solutions that on the surface would seem confounding to the viewer. As such the show not only offers a view into careers in and responsibility for taking care of pets, but also into problem solving strategies and behaviors. This program is specifically designed to further the educational and informational definition of Core Programming as specified in the Commission's rules.
