Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	A group of ten young people join filmmaker Timothy Mahoney, Director of Patterns of Evidence: The Exodus, on an adventure to investigate amazing evidence that matches the Bible. But there is more to the investigation than Tim lets on. He has a secret device, the Exploration Chamber. This holographic space allows the explorers to talk with real archaeologists, explore ancient evidence and visit the locations in Egypt and Israel where the events of the Exodus actually happened. Before each adventure they discover secret messages directing them to search their Bibles for clues in the text. What the Young Explorers find is a pattern of evidence that matches the Exodus and excites their faith.
