Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The half-hour weekly series, OCEAN MYSTERIES, offers a fresh approach to the quest for aquatic understanding by blending stories of fascinating sea creatures, comparisons to popular land animals, and analogies to human experience. Hosted by Jeff Corwin, OCEAN MYSTERIES is produced for ages 13-16, and beyond, by showing how animals share the same behaviors, challenges and triumphs that humans do. From exciting rescues of abandoned animals to unexpected conflicts in the family dynamics of the mingling species, viewers will get to know and care- about these heroes, and all of the fascinating life teeming in our oceans.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	<p>DID I MENTION INVENTION? is a live action, half-hour television program designed to meet the educational and informational needs of children aged 13-16. Hosted by Alie Ward, DID I MENTION INVENTION? brings viewers fascinating stories of invention while shining a light on everyday innovators. With each episode, Alie will present reports of human ingenuity and inspiration from around the United States- and in some cases, around the world. Viewers will learn about innovators young and old, what it takes to bring their vision to life, and little-known facts about the history and process of invention and innovation. DID I MENTION INVENTION? will ignite a spark within the hearts and minds of audiences, encouraging viewers to try their own hand at creating something new.</p>
