Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Kids love animals, and there's no better way to learn about these many colorful creatures than by getting up close and personal with them. Zoologist Jarod Miller does just that in this children's show featuring all manner of friendly and not-so-friendly critters. Jarod and his zookeeper friends hand-feed crocodiles, handle venomous snakes, and enter a shark cage for a meet-and-greet with the fearsome fishes.
