Describe the educational and informational objective of the program and how it meets the definition of Core Programming. This is a live action, half-hour television program designed to meet the educational and informational needs of children. Produced for ages 13-16, On each episode of Vacation Creation , our hosts Tommy Davidson and Andrea Feczko guide one deserving family on amazing adventures as they experience a new destination together on their family vacation. As our featured family embarks on an interactive voyage filled with immersive learning opportunities, each episode brings us to diverse locations where our family and viewers discover unique cultural events, food, activities, and traditions. From discovering the wondrous glaciers of Alaska to learning from the Moko Jumbie of the Virgin Islands, viewers will witness the importance of spending time with family and friends as our featured families experience amazing adventures together, often learning more about each other and their own family history along the way. Teens will also learn the importance of resiliency during challenging times as many featured families share their stories of overcoming adversity, finding ways to bond and heal while sharing these once in a lifetime experiences. Main digital channel.
