Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Hearts of Heroes showcases the stories of men and women braving natural disasters with one goal: to rescue the victims and help restore their lives. Hosted by meteorologist, Ginger Zee. Hearts of Heroes will guide viewers through fascinating weather events while delivering unique takeaways into the causes of many kinds of disasters, as well as how we can properly prepare for them, and collectively overcome them. Each week, viewers will witness first-hand the worst of nature but the best of humanity. Hearts of Heroes will take audiences on a journey where they'll experience recent natural disasters such as hurricanes, tornadoes, wild fires and floods. Teen viewers will learn more about the causes and science behind these events, while witnessing the heroic efforts of first responders across the nation. Hearts of Heroes is co-produced by BELFOR Property Restoration, the world's largest disaster recovery company restoring homes, businesses and communities following manmade or natural disasters.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The American Athlete is a television program that goes one on one with the 'world's greatest sports superstars'. As each athlete shares their passion for their particular sport, careful use of leading questions allows the athletes to open up to the viewers sharing the personal triumphs, aspirations and words of advice. The program's motivational and inspirational message of each guest empowers audiences of all ages to pursue their dreams through high expectations both personally and professionally and a strong commitment to a sport. Each segment of The American Athlete delivers an educational and informational message that supports current social, intellectual and emotional aspects of children ages 13 and up. Attributes and advice emphasized by guests instill a grounded balance of priorities, dedication, and perseverance children can apply to their lives. In one segment Serena Williams, professional tennis player, stated to the viewers, "I think it's really important to set goals. If you don't have goals and set them high, you don't have anything to strive for".
