Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This program is a live action, half-hour television program designed to meet the educational and informational needs of children aged 13-16. Chicken Soup for the Soul's Animal Tales centers around our love for animals and the impact they have on our lives. Each episode uncovers stories about amazing and inspiring people from around the world who go above and beyond to care for, love, help, and defend animals everywhere. Viewers will meet animal rescue teams and dedicated animal advocates helping lost pets find forever homes, and even meet some of the incredible pets serving and assisting people in need, including military K9s and therapy animals. Chicken Soup for the Soul's Animal Tales will teach viewers to honor the unconditional bond between people and their pets, and how animals change lives. Viewers will learn some of the responsibilities that come with caring for our four legged friends.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This program is a live action, half-hour television program designed to meet the educational and informational needs of children aged 13-16. Hosted by Phil Torres, this series will educate and inform teens and their families about pet adoption, responsible pet ownership, and the importance of a green space for pets. Each episode, Phil will guide a family through the pet adoption process after a careful look at their unique situation to help them make an informed decision in finding the right pet for their lifestyle. While the family visits local shelters and rescues, experts revitalize their outdoor space to make a safe and eco-friendly home for their new pet. In the end, viewers will see family members overcome their disagreements and make the tough decision on which pet will join the family. Ready, Set, Pet will teach viewers that thoughtful preparation is key when learning to care for an animal's needs.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Hosts Rob and Treger run a non-profit dedicated to helping deserving families in transition by turning their house into a home and changing lives along the way. Each episode introduces a family emerging from difficult circumstances as they finally move into a new living space. The hosts and a dedicated team of designers and volunteers will transform the family's bare house into a warm home by using goods and services donated by people in the community. This program teaches viewers the importance of giving back in their communities, to never give up when faced with tough situations and gratitude for the basic living necessities that we often take for granted.

Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This weekly series is produced for ages 13-16 and follows the surprising, exotic, and challenging lives of a veterinary staff that cares for over 2,000 animals. From nutrition to treatments, x-rays to surgery, preventative care to emergencies, this educational and information program will allow viewers to witness a kaleidoscope of wild experiences through the eyes of our Veterinary Team. Unpredictable events unfold giving viewers a glimpse of the enormity, variety, and quality of treatment that sets the standard for animal care.

Program Title	WELCOME HOME
Origination	Network
Days/Times Program Regularly Scheduled	SATURDAYS, 9:30AM - 10AM
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Hosts Rob and Treger run a non-profit dedicated to helping deserving families in transition by turning their house into a home and changing lives along the way. Each episode introduces a family emerging from difficult circumstances as they finally move into a new living space. The hosts and a dedicated team of designers and volunteers will transform the family's bare house into a warm home by using goods and services donated by people in the community. This program teaches viewers the importance of giving back in their communities, to never give up when faced with tough situations and gratitude for the basic living necessities that we often take for granted.

Program Title	DID I MENTION INVENTION?
Origination	Network
Days/Times Program Regularly Scheduled	SATURDAYS, 10:30AM - 11AM

Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This program is a live action, half-hour television program designed to meet the educational and informational needs of children aged 13-16. Hosted by Alie Ward, Did I Mention Invention? brings viewers fascinating stories of invention while shining a light on everyday innovators. With each episode, Alie will present reports of human ingenuity and inspiration from around the United States-- and in some cases, around the world. Viewers will learn about innovators young and old, what it takes to bring their vision to life, and little-known facts about the history and process of invention and innovation. Did I Mention Invention? will ignite a spark within the hearts and minds of audiences, encouraging viewers to try their own hand at creating something new.
