Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Main Digital. LazyTown encourages fitness and healthful habits for preschool children. In the imaginary setting of Lazy Town, characters' eating and fitness habits are linked to problem solving in their world. The lead character is Stephanie, a young girl who guides the audience through the story as she and her friends ("human" puppets) and her Uncle (Mayor Milford Meanswell) navigate life within Lazy Town. Robbie Rotten, the underground spy and influencer who personifies the ethos of Lazy Town, is determined to ruin the health and fitness practices of Stephanie and her friends. When the kids have difficulty with Robbie Rotten, Sportacus, a gymnast/athlete prepared to answer any call for help, comes to the rescue from his home in a zeppelin-like aircraft that hovers over earth. The underlying themes of Lazy Town stress the importance of eating "sports candy" (aka fruits and vegetables), always obtaining sufficient sleep, and going outside to engage in a wide range of physical activities including playing games, competing athletically, and even building forts and play structures.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Main Digital. What adults often take for granted in life's minutiae frequently delights children. One of those kids is Luna, 6, for whom the world is a giant laboratory, filled with opportunities to learn more about what things are, and why and how scientific actions take place. Luna's passion for science prompts her exploration of the world with energy and enthusiasm. Little brother Jupiter and pet ferret Clive are by her side as the inquisitive girl pursues answers to her specific questions.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Main Digital. Tree Fu Tom follows the adventures of Tom, his best friend Twigs (voiced by David Tennant) and a cast of playmates in the miniature fantasy world, Treetopolis. When adventure turns to crisis, Tom turns to the audience for their help. Speaking directly to the audience, Tom asks them to follow him in a series of Tree Fu Moves, designed by physio- and occupational therapists to aid the development of movement skills, strength and balance, as well as helping to deal with dyspraxia, a movement impairment condition affecting one in ten children. Together, the audience and Tom create 'Big World Magic' - Tom's superhero power - to resolve the crisis and save the day.
