The members of the family are presented with many unusual challenges that become the center of a dilemma that must be resolved within each episode. Strange visitors arrive out of nowhere and the Clangers have to figure out who and why they are on Clanger Planet. Sometimes they need to help or rescue someone who has become lost on the planet. Other times, they are trying to understand outer space; meteors and comets and eclipses of the sun or moon. Each member of the family has a 'forte', from playing music to knitting or gardening or inventing equipment that comes in handy for some of the problem solving that takes place.
