Digital Core
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	7.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	336.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	6.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Digital Core Program (2 of 19)		Response
Program Title	Dog Town, USA (5.1)	
Origination	Network	

Days/Times Program Regularly Scheduled	Saturdays / 10:00AM
Total times aired at regularly scheduled time	13
Total times aired	13
Number of Preemptions	0
Number of Preemptions for other than Breaking News	0
Number of Preemptions Rescheduled	0
Length of Program	30 mins
Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Dog Town, USA is the story of the men and women who devote their lives to the healing and happiness of dogs from every corner of the nation. They are dedicated to finding safe homes for abandoned dogs. Each week, Dog Town, USA's highly skilled staff and internationally renowned experts first create a safe sanctuary for dogs from around the world. Medical professionals provide personal care to each dog beginning the detailed process of rehabilitation in preparation for uniting each dog with a loving new family and home. Dog Town, USA will inspire young viewers to pursue their dreams while valuing the importance of dedicating oneself to the greater good of community and family. The series demonstrates the powerful interaction between humans and animals with a focus on our canine companions. Dog Town, USA educates and informs the audience about canine training techniques and creating healthy environments for dogs. Viewers get to watch trainers work with dogs that have behavior issues from anxiety to aggression to weight problems and trust issues. They are shown the various techniques that are available for retraining dogs so that they can become loving members of an adoptable home. They will also learn how to be a responsible pet owner and maintain a safe and healthy lifestyle for both family and pet. Viewers will get to know and care about these dogs and the heroes who do whatever it takes to give them a second chance.

Digital Core Program (7 of 19)	Response
Program Title	Animal Atlas (5.1)
Origination	Syndicated
Days/Times Program Regularly Scheduled	Saturdays / 2:00PM
Total times aired at regularly scheduled time	13
Total times aired	13
Number of Preemptions	0
Number of Preemptions for other than Breaking News	0
Number of Preemptions Rescheduled	0
Length of Program	30 mins
Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Animal Atlas makes the animal world entertaining, enlightening and informational. The series uses humor, natural visuals and an everyday attitude to reach the minds of young viewers. It uses a friendly and fascinating presentation of information to engage young viewers and broaden their knowledge and perspective of the animal world. Viewers are exposed to every kind of animal imaginable, from the familiar to the astounding, including apes and giant lizards, sharks and tigers and animals from the Americas, Africa, Asia, Australia and elsewhere. Viewers discover the variety of places and situations that animals live in, how they find food and what they eat, how they play and care for their young, and the dynamics of the family units they live in. Animal Atlas also educates young viewers about endangered species and provides useful information on wildlife conservation. The show incorporates the learning categories of life sciences, biological sciences and critical thinking skills in teaching viewers about animals and nature.

Total times aired at regularly scheduled time	13	
Total times aired	13	
Number of Preemptions	0	
Number of Preemptions for other than Breaking News	0	
Number of Preemptions Rescheduled	0	

Length of Program	30 mins
Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	On The Spot is a question and answer show challenging viewers to recall middle and high school knowledge about history, science, math, English, second languages, health, geography, art, music, and technology, and then teaches them the answer. The show uses an entertaining on-the-street format to test how well young people know the information contained in their own national curriculum. The format allows a wide range of topics and allows topics to be blended. The program also succeeds in modeling all ages, races and genders as successful, knowledgeable individuals. Although there are right and wrong answers, there are right answers from people that every audience member can identify with so that they see a representative from their own group succeeding. In turn, it also allows viewers to learn respect for those outside their own group.

Total times aired	13
Number of Preemptions	0
Number of Preemptions for other than Breaking News	0
Number of Preemptions Rescheduled	0
Length of Program	30 mins
Age of Target Child Audience	13 years to 16 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Safari Tracks offers viewers a natural look at the exotic animals of the African continent. The engaging host, also from Africa, provides educational information on specific species and how they contribute to the ecosystem of the habitat. He encourages viewers to make ethical decisions and care about the planet. Topics such as predator-prey relationships, endangerment of natural habitat and species by human activity and the low survival rate of some animals are discussed as part of the animal characteristics so that viewers get a more complete and candid picture of the animal and its habitat. Viewers learn about ecology, how population affects ecosystems, how animals learn to adapt for survival, natural selection, the great diversity of species and even reproduction or geographic isolation and how it impacts species. Above all, the series shows respect for the animal world and encourages viewers to show respect for animals and the environment.

Days/Times Program Regularly Scheduled	Sundays / 9:00AM and 9:30AM
Total times aired at regularly scheduled time	26
Total times aired	26
Number of Preemptions	0
Number of Preemptions for other than Breaking News	0
Number of Preemptions Rescheduled	0
Length of Program	30 mins
Age of Target Child Audience	13 years to 16 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Whaddyado exposes viewers to real life situations. Using reenactments, the audience witnesses perilous situations so they can see important life saving skills demonstrated. Using interviews with the participants and instructions from experts, viewers are shown what the proper reaction should be when faced with a similar life-threatening circumstance. Teenagers are used in the reenactments since teens learn best from watching others of their same age range. The show also attempts to minimize a viewer's belief in their immortality, a priceless lesson to learn. In addition, Whaddyado presents a moral dilemma segment which exposes viewers to a moral dilemma. Expert analysis of the costs and benefits of the various courses of action help teens when confronted with similar moral challenges. Whaddyado provides viewers with exposure to difficult situations that other teens have experienced and helps walk them through the steps to good decision making.

Program Title	Dog Town, USA (5.1)
Origination	Network
Days/Times Program Regularly Scheduled	Saturdays / 10:00AM
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	<p>Dog Town, USA is the story of the men and women who devote their lives to the healing and happiness of dogs from every corner of the nation. They are dedicated to finding safe homes for abandoned dogs. Each week, Dog Town, USA's highly skilled staff and internationally renowned experts first create a safe sanctuary for dogs from around the world. Medical professionals provide personal care to each dog beginning the detailed process of rehabilitation in preparation for uniting each dog with a loving new family and home. Dog Town, USA will inspire young viewers to pursue their dreams while valuing the importance of dedicating oneself to the greater good of community and family. The series demonstrates the powerful interaction between humans and animals with a focus on our canine companions. Dog Town, USA educates and informs the audience about canine training techniques and creating healthy environments for dogs. Viewers get to watch trainers work with dogs that have behavior issues from anxiety to aggression to weight problems and trust issues. They are shown the various techniques that are available for retraining dogs so that they can become loving members of an adoptable home. They will also learn how to be a responsible pet owner and maintain a safe and healthy lifestyle for both family and pet. Viewers will get to know and care about these dogs and the heroes who do whatever it takes to give them a second chance.</p>

Program Title	Whaddyado? (5.3)
Origination	Network
Days/Times Program Regularly Scheduled	Sundays / 9:00AM and 9:30AM
Total times aired at regularly scheduled time	26
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Whaddyado exposes viewers to real life situations. Using reenactments, the audience witnesses perilous situations so they can see important life saving skills demonstrated. Using interviews with the participants and instructions from experts, viewers are shown what the proper reaction should be when faced with a similar life-threatening circumstance. Teenagers are used in the reenactments since teens learn best from watching others of their same age range. The show also attempts to minimize a viewer's belief in their immortality, a priceless lesson to learn. In addition, Whaddyado presents a moral dilemma segment which exposes viewers to a moral dilemma. Expert analysis of the costs and benefits of the various courses of action help teens when confronted with similar moral challenges. Whaddyado provides viewers with exposure to difficult situations that other teens have experienced and helps walk them through the steps to good decision making.
