### Digital Core Programming

| Question  | Response |
|---|----------|
| State the average number of hours of Core Programming per week broadcast by the station on its main program stream  | 3.5      |
| State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream  | 336.0    |
| State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:  | 10.0     |
| Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?  | Yes      |
| Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams? | Yes      |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | The educational goal of this program is to show teens the proper reaction when faced with everyday circumstances. Through dramatic reenactments, the program documents ordinary teens who accidentally find themselves in perilous and challenging situations. Various experts interview the participants and explain what the proper reaction should be when faced with similar perilous circumstances. A moral dilemma segment will also be featured in each show in an effort to help teens to make the right decision at the right moment. This program aired on the main digital stream, channel 1. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | The key objective of this program is to familiarize children with the animals of the North American continent, their interaction with other animals, and their environment. Throughout the series, emphasis is placed upon protecting endangered species and the impact that humans have while interacting in their environment. The goal of this program is for the viewer to achieve a greater understanding of nature and specific animal species, with the aid of up-close and detailed photography throughout the program. Through this understanding, it is hoped that viewers will better relate to the natural environment in North America and learn to protect North America's animal species. This program aired on the main digital stream, channel 1. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | This program explores the marine ecosystem from tributaries, rivers, and oceans. Viewers will develop a understanding that we are key in preserving the ocean environment. Aqua Kids teaches about the diversity and beauty of the marine environment and its potential destruction by pollution and carelessness of the human population, such as marine mammals dying from the ingestion of plastic, and toxic waste in our waterways, which can destroy the habitat and marine life. By showing the audience the problems they encounter, the Aqua Kids educate their peers on what can be done to solve environmental dilemmas. This program aired on the secondary digital stream, channel 2. |

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.

This program addresses areas of particular concern to young teens, including global, social, educational and wellness issues. Elizabeth and select celebrity friends travel around the world volunteering in areas of specific need. The program combines exciting, fun and diverse experiences of world exploration with life-changing volunteer opportunities. Through in-depth and thoughtful interviews, various age-appropriate global issues are introduced to the viewing audience. In addition, Elizabeth and friends' personal hands-on experiences in the field inspire teens in selfless, helping behaviors, and educate them on where and how to find volunteer opportunities. This program will air on the main digital stream, channel 1.

Describe the educational and informational objective of the program and how it meets the definition of Core
Programming.

The key objective of this program is to familiarize children with the animals of the North American continent, their interaction with other animals, and their environment. Throughout the series, emphasis is placed upon protecting endangered species and the impact that humans have while interacting in their environment. The goal of this program is for the viewer to achieve a greater understanding of nature and specific animal species, with the aid of up-close and detailed photography throughout the program. Through this understanding, it is hoped that viewers will better relate to the natural environment in North America and learn to protect North America's animal species. This program will air on the main digital stream, channel 1.
