Digital Core
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	3.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	336.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	6.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Animal trainer Brandon McMillan is swooping into animal shelters across the U.S., rescuing hard-to-love, out-of control, untrained and unadoptable dogs. Then, back at Brandon's training facility known as the Lucky Dog Ranch, he goes to work on the seemingly impossible task of turning the frightened pooches into perfect pets. In the end, a lucky family will adopt an even luckier dog, making each episode an adoption story that truly warms the heart. [main digital program stream]

Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	WTRF-TV PRE-EMPTIONS: During the period January 2, 2016 through March 27, 2016 the two 30-minute core programs regularly scheduled for broadcast Saturday mornings at 9 AM and 9:30 AM were rescheduled to their "second home" the following day during the core hours 7:00AM and 11:30AM, in order to carry a time-sensitive weekly pre-game talk show featuring locally venerated West Virginia University Mountaineers college basketball head coach Bob Huggins in the licensees good faith judgment, the rescheduling best served the needs and interests of the viewers of the West Virginia-based station during the time slot, in the public interest. Promotional efforts were made to notify the public of the rescheduled dates and times of the preempted children's programs, by notifying program guides and viewers. Therefore, it is respectfully submitted that the rescheduled core programs should continue to count toward the stations three-hour average, consistent with Preemption of Childrens Television Educational and Informational Programming, 8 CR 1036 (M. Med. Bur., July 11, 1997).
