| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Adventures of Donkey Ollie are 13 children programs which follow the loving Donkey Ollie as he interacts with children and animals through the bible lands. To help children grow up with good values free of fear is one of our main goals. We also are interested in providing good material for young children who face a world of danger. We want to give them the tools through faith in God to overcome obstacles and challenges just like Donkey Ollie did. |
