Digital Core
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	3.5
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	336.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	7.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This program provides an inside look at the world of NASCAR auto racing. NASCAR teams, crew members, business personnel, and drivers are featured. They share their experiences, advice, and stories with viewers to provide an in-depth look at the hard work and dedication it takes to achieve their goals. Besides learning how to overcome adversity and the importance of teamwork, this program also informs viewers about the technical aspects of racing, how racing began, information on racing as a career, and the importance of philanthropy and helping others. This program will air on the station's third digital channel 3.
