Digital Core
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	3.77
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	0.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	0.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Liaison Contact

Question	Response
Does the Licensee publicize the existence and location of the station's Children's Television Programming Reports (FCC 398) as required by 47 C. F.R. Section 73.3526(e)(11)(iii)?	Yes
Name of children's programming liaison	Doug Johnson
Address	5 Television Drive
City	Plattsburgh
State	NY
Zip	12901
Telephone Number	(518) 561-5555
Email Address	dougjohnson@hearst.com
Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	On April 2, this station aired core programs ASTROBLAST and THE CHICA SHOW in reverse order. This situation was a result of a mis-feed from the network. Under the circumstances, which were outside of the station, the station has counted both airings towards the core programming weekly average. One or more episodes of children's programming that was preempted during the quarter was not reschedule. The Digital Core Programming Summary section of this report would not permit the station to include preemption reports for such unrescheduled preemptions and FCC Staff has advised that no preemption report for such unrescheduled episodes is necessary.

Program Title	Terriffic Trucks

Origination	Network
Days/Times Program Regularly Scheduled	Saturday 10-1030A
Total times aired at regularly scheduled time	10
Length of Program	30 mins
Age of Target Child Audience from	2 years to 5 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Terrific Trucks is a live-action series that follows the exploits of five self-driving, heavy-duty construction trucks. They include Tork, the dump truck, Stotz, the flatbed, Dug, the digger, Blinker, the mini-digger, and Sparky, the front-end loader. The trucks reside in a fully equipped truck yard/rock quarry and work as a team on various building projects that require planning, collaboration and implementation. Each truck brings specific skills to the group. They get challenging job assignments from Mr. Bill Board, a digital outdoor screen that outlines and diagrams the problem to be solved. By allocating the role each truck will perform during the project, the group merges those unique skills to fulfill their respective assignments. Unexpected problems that could compromise their success-- such as the weather, broken truck parts, or personal conflicts between the trucks--- are addressed and overcome so the job can be completed. What kids learn, teamwork, problem solving and friendship.
