Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This program shows everyday people, regardless of age, sex, occupation or education, stepping forward and acting in a socially responsible and moral fashion when faced with crises and moral dilemmas. In a candid camera-type format, individuals are placed in situations that cause them to demonstrate acts of kindness and generosity, stand up for diversity, shield others from bullies, and embrace friendships. The program also includes segments that focus on overcoming ones fears, as well as rewarding individuals for their unselfish kindness and community service. The program encourages children to increase their sensitivity and awareness in order to refine their own moral compass. This program aired on the main digital channel.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The educational goal of this program is to show teens the proper reaction when faced with everyday circumstances. Through dramatic reenactments, the program documents ordinary teens who accidentally find themselves in perilous and challenging situations. Various experts interview the participants and explain what the proper reaction should be when faced with similar perilous circumstances. A moral dilemma segment will also be featured in each show in an effort to help teens to make the right decision at the right moment. This program aired on the secondary digital channel 4.2.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Hosted by Pat Summerall, this program takes viewers coast-to-coast and in-depth with the brightest young athletes in sports. The series profiles high school athletes who have overcome personal adversity to pursue their dreams. The athletes are recognized for their classroom achievements, as well as their contributions in extracurricular activities. The importance of dedication, discipline, commitment to academics, and community involvement are spotlighted as part of the athletes' success. The stories strive to inspire viewers to pursue knowledge and a healthy, active lifestyle, despite any personal difficulties. This program aired on the tertiary digital channel 4.3.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Supported by a team of Georgia Aquarium biologists, veterinarians, and other experts, Jeff Corwin travels the world to explore the Earth's least understood resource, our oceans and waterways and the animals which call them home. He swims with manta rays, pointing out that their body form was the inspiration for the design of the Stealth jet. While in the water with whale sharks, he takes samples of their blood to better understand their biology. As Jeff continues his journey through each episode, the viewer is able to connect with these animals and learn how important they are to all life on the planet, as well as how sea life connects to life on the rest of the globe. This program aired on the tertiary digital channel 4.3.

Total times aired at regularly scheduled time	13	
Length of Program	30 mins	
Age of Target Child Audience from	13 years to 16 years	
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This program shows everyday people, regardless of age, sex, occupation or education, stepping forward and acting in a socially responsible and moral fashion when faced with crises and moral dilemmas. In a candid camera-type format, individuals are placed in situations that cause them to demonstrate acts of kindness and generosity, stand up for diversity, shield others from bullies, and embrace friendships. The program also includes segments that focus on overcoming ones fears, as well as rewarding individuals for their unselfish kindness and community service. The program encourages children to increase their sensitivity and awareness in order to refine their own moral compass. This program airs on the main digital channel.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The educational goal of this program is to show teens the proper reaction when faced with everyday circumstances. Through dramatic reenactments, the program documents ordinary teens who accidentally find themselves in perilous and challenging situations. Various experts interview the participants and explain what the proper reaction should be when faced with similar perilous circumstances. A moral dilemma segment will also be featured in each show in an effort to help teens to make the right decision at the right moment. This program airs on the secondary digital channel 4.2.

Origination	Syndicated

Days/Times Program Regularly Scheduled	Saturday 9:00a (7/1/2016-9/30/2016)
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Supported by a team of Georgia Aquarium biologists, veterinarians, and other experts, Jeff Corwin travels the world to explore the Earth's least understood resource, our oceans and waterways and the animals which call them home. He swims with manta rays, pointing out that their body form was the inspiration for the design of the Stealth jet. While in the water with whale sharks, he takes samples of their blood to better understand their biology. As Jeff continues his journey through each episode, the viewer is able to connect with these animals and learn how important they are to all life on the planet, as well as how sea life connects to life on the rest of the globe. This program airs on the tertiary digital channel 4.3.
