Digital Core
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	3.5
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	139.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	4.5
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Age of Target Child Audience	13 years to 16 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	"The Real Winning Edge" is more than a showcase for kids with exceptional talent and athleticism. It's about teenagers who have built character through their struggles with cancer or death of a loved one. It's about kids who came face to face with drug abuse and peer pressure without losing their focus on their goal. Through interviews and profiles,these remarkable young people provide honest answers about how they dealt with adversity in their lives. The program was regularly scheduled between the hours of 7am and 10pm. The program is 30 minutes in length and was identified as an educational and informational show, targeted to 13-16 year-olds, at the beginning and through each broadcast and in listings provided to publishers of program guides.
