Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	(Digital 40.1)Zoo Clues will engage viewers with the nearly infinite visual richness, animal characteristics, and wild range of animal behaviors. Zoo Clues will leave viewers with a meaningful perspective about animals and meaningful comparisions to their own human characteristics. The variety of the animal kingdom is truly odd and bizarre enough to read like fiction, but the clever narration of Zoo Clues links disparate information together in a way that always makes clear that what viewers see is real, natural, and relates to their own life in the real world.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	(Digital 40.1) On The Spot is a question and answer show challenging viewers to recall middle and high school knowledge about history, science, math, English, second languages, health, geography, art, music, and technology, and then teaches them the answer. The show uses an entertaining on-the-street format to test how well young people know the information contained in their own national curriculum. The format allows a wide range of topics to be blended. The program also succeeds in modeling all ages, races and genders as successful, knowledgeable individuals. Although there are right and wrong answers, there are right answers from people that every audience member can identify with so that they see a representative from their own group succeeding. In turn, it also allows viewers to learn respect for those outside their own group.

Days/Times Program Regularly Scheduled	Saturday's; 7:00am-7:30am; 07/01/2016-09/30/2016
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	(Digital 40.1)Zoo Clues will engage viewers with the nearly infinite visual richness, animal characteristics, and wild range of animal behaviors. Zoo Clues will leave viewers with a meaningful perspective about animals and meaningful comparisions to their own human characteristics. The variety of the animal kingdom is truly odd and bizarre enough to read like fiction, but the clever narration of Zoo Clues links disparate information together in a way that always makes clear that what viewers see is real, natural, and relates to their own life in the real world.
