Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The objective of this animated character education series is to engage children up to the age of 10 with entertaining adventures that help them understand the importance of behaving in accordance with a strong value system. These lively programs are meant to support parents and teachers in their efforts to model and instill healthy values in children. They portray situations that children face in their everyday interactions, describing emotions honestly and in terms that children find relatable. Each episode explores a complex concept, such as the importance of responsibility or honesty, by defining the core concept and cleverly illustrating consequences that can result when these values are not internalized and practiced in daily life.
