Digital Core
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	4.3
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	9.7
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	9.7
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.		Future Phenoms displays the hard work and dedication that it takes to be a success in sports and in life through in-depth, human-interest stories that reveal the challenges and lessons that mold our young athletes. These stories reinforce the importance of key values like dedication, discipline, commitment and community involvement. They inspire and teach our youth that while many desire greatness on the grand stage of competition, much can be learned through the journey that can make a significant difference throughout one's life. Future Phenoms also includes inspirational stories - a look at young athletes who have overcome personal or physical challenges to succeed through high school and youth sports.
