Digital Core
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	6.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	0.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	0.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Save Our Shelter will inform young people about the urgent need for pet adoption through the United States and how providing a clean and well equipped home is essential to a pets healthy lifestyle. The series focuses on the rescue of animal shelters and pets in need across America. Hosts Rocky Kanaka and Rob North, along with the help of local community members, transform rundown shelters into highly functioning pet showplaces in the hopes that a new fasade will ultimately result in more adoptions and more lives saved. Children will also learn important information about caring for pets as well as traits that are unique to specific breeds.

Length of Program		30 mins
Age of Target Child Audience		13 years to 16 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Animal Atlas ties together images and action in nature with educational and informational themes while learning fascinating facts about the animal kingdom. It builds on natural curiosity and adolescent-friendly topics like weapons, groups and inherited behaviors as it builds in challenges to viewer knowledge with teaser questions before the breaks and answers to follow. Using animal footage, humor, and an everyday narrative style to reach the minds of its target group, its tradition of broadening the knowledge of young viewers through friendly and fascinating information remains a primary goal.
