Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	The programming on WKNX 7.2 that was shown in place of the preempted programming on 06/04/2016 was of spiritual and intellectual importance. One of more of the children's programming that was preempted during the quarter was not rescheduled. The Digital Core Programming Summary section of this report would not permit the station to include preemptions of such such unscheduled preemptions, and the FCC staff has advised that no preemption report for such unscheduled episodes is necessary.
