Digital Core
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	3.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	336.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	6.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Age of Target Child Audience	13 years to 16 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	WORD TRAVELS follows the lives of two young professional travel writers Robin Esrock and Julia Dimon as they journey around the world in search of stories to experience, write about, and file for their editors. Esrock focuses on adventurous and physical stories, while Dimon focuses on cultural and people stories. Each episode has the duo investigating stories both separately and together. The series was shot in 36 countries across six continents and helps viewers understand geography and history of the places covered. The series allows teens to explore how individuals in various nations live their daily lives and examines what are the differences in customs and languages in each locale. The series also demonstrates how to write stories about these destinations and what information is relevant to good story-telling. The episodes explore faraway places that most teen viewers may never hear or study about in the classroom. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Dog Town, USA is a story of the men and women who devote their lives to the healing and happiness of dogs - from every corner of the nation. Built on 33,000 acres of pristine land in Utah, Dog Town, USA is the nation's preeminent facility dedicated to finding safe homes for abandoned dogs. Dog Town, USA is produced for ages 13-16 and will inspire young people to pursue their dreams while valuing the importance of dedicating oneself to the greater good of community and family. The series demonstrates the powerful interaction between humans and animals with a focus on our canine companions. Dog Town, USA educates and informs the audience about canine training techniques and creating healthy environments for dogs. Dog Town, USA's trained experts teach teen viewers how to be a responsible pet owner and maintain a safe and healthy lifestyle for both family and pet. Viewers will get to know - and care - about these dogs and the heroes who do whatever it takes to give them a second chance.

Days/Times Program Regularly Scheduled	Saturdays 12:00-12:30 PM
Total times aired at regularly scheduled time	14
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Young, enthusiastic and passionate about food, Claire Thomas is the 22 year old host who opens viewer's eyes to how everyday life can inspire culinary creations in Food for Thought. Each weekly show informs and educates teens about the power of food as a tool for exploring new places, meeting new people and learning about different cultures. Claire serves as a role model for 13-16 year old viewers by showing her passion for her family,life, and healthy living by sharing stories in the kitchen. Creative inspiration can come from any place at any time - sometimes from family, sometimes from friends, or even from bloggers needing her help. No matter how exotic or local the location, she's always in search of new tastes and places to explore. Based on her unique perspective gathered throughout each episode, Claire will teach the audience how to prepare the "inspired" dish while promoting a healthy attitude towards food and life.
