| Describe the<br>educational<br>and<br>informational<br>objective of<br>the program<br>and how it<br>meets the<br>definition of<br>Core<br>Programming. | Handy Manny introduces concepts related to construction, building, engineering, and technology to preschool audiences through engaging, relatable stories about Sheetrock Hills' lovable handyman, Manny and his neighbors and friends. In each episode, one of Manny's neighbors calls with a problem. Manny is always willing to help! With the help of his tools a lively bunch of friends, each with strengths and challenges of their own Manny is able to assess problems, ask questions, come up with solutions, and make any repairs necessary to help his neighbors. Whether the problems is a broken scooter or a clogged sink, Manny is able to find a solution using his knowledge of construction principles and how machines work. Manny's neighborhood is a multicultural community with a rich Latino heritage. Manny and his neighbors participate in a number of Latino traditions, festivals and holidays. Spending time with Manny and his neighbors in Sheetrock Hills is guaranteed to be both fun and informative for viewers! |

This may include<br>information on any other noncore<br>educational and informational<br>programming that you aired this quarter<br>or plan to air during the next quarter, or<br>any existing or proposed non-broadcast<br>efforts that will enhance the educational<br>and informational value of such<br>programming to children. See 47 C.F.R.<br>Section 73.671, NOTES 2 and 3. | On the station's main digital stream on Saturday, December 3 the station preempted the children's programming window for broadcast of the "Teleton USA." The goal of this annual effort is to raise funds to help improve the quality of life for children with disabilities. All programs were made-good on December 11 and 25, promotional efforts with the rescheduled times and date were aired. On the station's third digital stream: On or about October 25, 2016 Bounce TV notified this station that due to a technical error, three programs aired on Bounce TV without the requisite E/I symbol: All In with Laila Ali, Culture Click and Everyday Health. The FCC was informed at that time. The error affected these shows from October 1, 2016 to October 15, 2016. In total, 12 hours of E/I programming did not include an E/I symbol. Bounce TV has informed this station that it has established new processes to ensure the technical issue does not recur. Additionally, the affected programs were re-broadcasted with the E/I symbol during this quarter. |

Describe the educational and informational objective of the program and how it meets the definition of Core Rock the Park is a weekly half hour series produced and designed to educate and inform children of 13-16 years of age and taps into America's love for our national parks. In this awe inspiring and entertaining series our hosts, Jack Steward and Colton Smith, come face to face with nature and some of the most amazing places on earth. Viewers will witness the fascinating underwater world of Dry Tortugas National Park in Florida, which is home to the world's most unique coral marine life. They'll watch as Jack and Colton raft their way through Alaska's remote Aniakchak National Monument and Preserve, spotting the region's famous brown bears. Viewers will reach new heights as Jack and Colton embark on their biggest climbing challenge yet. The Gran Teton in Wyoming's Grand Teton National Park. This series will inspire Americans to get on the road and visit the national parks, one of America's greatest national gifts to the world.
