Length of Program	30 mins
Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Young, enthusiastic and passionate about food, Claire Thomas is the host who opens viewers' eyes to how everyday life can inspire culinary creations in FOOD FOR THOUGHT. Each episode informs and educates teens about the power of food as a tool for exploring new places, meeting new people and learning about different cultures. Claire serves as a role model for 13-16-year-old viewers by showing her passion for her family, life, and healthy living by sharing stories in the kitchen. Creative inspiration can come from any place at any time - sometimes from family, sometimes from friends, or even from bloggers needing her help. Based on her unique perspective gathered throughout each episode, Claire will teach the audience how to prepare the "inspired" dish while promoting a healthy attitude towards food and life. Clare shops for her ingredients and shows viewers how to look for good buys. She also explains what the essentials are for a beginner kitchen. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.
