Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	With its travelogue format, compelling back stories, and upbeat young narrator, Travel Thru History entices young people to learn more about American history. The various episodes focus on American cities and vacation destinations that have more than natural beauty and theme parks to offer. The series uses beautiful photography and brief well-edited interviews with curators and other on-site authorities, as well as graphics, vintage photos, and film footage to set a pace that will keep a busy young mind engaged. The episodes appeal both to wanderlust and to curiosity about the past and its implications for the future. History is presented as a story of people one would like to have met, not a dry recitation of facts and figures, thus moving the thoughtful student out of the classroom and into the world. This airs on WVEC's 13.3 channel, Me-TV Network.
