Digital Core
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	3.5
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	336.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	7.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Digital Core
Programs(16)

Digital Core Program (1 of 16)	Response
Program Title	Wild America
Origination	Syndicated
Days/Times Program Regularly Scheduled	Saturdays 08:00AM-08:30AM CT
Total times aired at regularly scheduled time	14
Total times aired	14
Number of Preemptions	0
Number of Preemptions for other than Breaking News	
Number of Preemptions Rescheduled	0
Length of Program	30 mins
Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The key objective of this program is to familiarize children with the animals of the North American continent, their interaction with other animals and their environment. Throughout the series emphasis will be placed upon protecting endangered species and the impact that humans have while interacting in their environment. The goal of this program is for the viewer to achieve a greater understanding of nature and specific animal species with the aid of up close and detailed photography throughout the program. Through this understanding it is hoped that viewers will better relate to the natural environment as it exists in North America and learn to protect North America's animal species. This program aired on the station's main digital program stream.

Length of Program	30 mins
Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Supported by a team of Georgia Aquarium biologists, veterinarians and other experts, Jeff Corwin travels the world to explore the Earth's least understood resource, our oceans and waterways and the animals which call them home. He swims with manta rays, pointing out that their body form was the inspiration for the design of the Stealth jet. While in the water with whale sharks, he takes samples of their blood to better understand their biology. As Jeff continues his journey through each episode, the viewer is able to connect with these animals and learn how important they are to all life on the planet, as well as how sea life connects to life on the rest of the globe. This program aired on the station's main digital program stream.

Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Brain Games explores the Fascinating components of the human brain and how they shape our perceptions and everyday lives. Host Jason Silva opens each episode with an exercise for your mind which serves as a starting point for a look into the reality of human perception and the fascinating ways that our brain functions. Each week, Silva will explore a variety of different topics including visual perception, memory, skill learning, decision making and many more. The program educates and inspires viewers by presenting a series of experiments and activities designed to help people improve cognitive function and use their brains better, smarter and faster. This program aired on the station's main digital program stream.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Wildlife expert Casey Anderson showcases his charismatic animal companions on an innovative and action-packed odyssey through North America's wild places. Through this program, viewers will have a rare glimpse into the beauty and complexity of the natural world. Viewers will follow Casey on a series of adventures, such a paddling the Grand Canyon, skiing with wolverines in British Columbia, observing mountain lions in Montana, staking out the scavengers of Yellowstone, investigating a raven's nest, observing polar bears on Alaska's northern slope, and climbing rugged extremes in pursuit of Maine's black bears. These adventures will bring the viewer a rare experience with endangered species - some deadly, others dashing, in the stunning natural ecosystem they call home. This program aired on the station's main digital program stream.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Dog Town follows the stories of orphaned, unwanted or problem dogs who find their way to Best Friends Animal Society. They are each rehabilitated by volunteers and employees for adoption or spend the rest of their lives in foster care at the Dog Town facility. Viewers learn the proper treatment of animals, volunteerism and social responsibility. Episode examples include rescuing dogs from a puppy mill, and the staff launching a new program to turn shelter dogs into search and rescue dogs. This program aired on the station's main digital program stream.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This program uses favorite, high calorie family recipes submitted by viewers as the basis of a face-off with two acclaimed chefs. Each chef must take a recipe and give a low calorie twist, demonstrating that foods don't have to be high in calories or fats to be delicious. As the chefs work through the challenge, the viewers will learn the value of healthy, wholesome ingredients, and how healthy food choice can have a positive effect on our quality of life. This program aired on the station's primary digital stream, WFGX 35.1.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Think Big is a kid-hosted entertaining series for young people that follows the world's most innovative kids as they create and invent new toys, games, learning tools, websites, and modes of transportation. The program features top kid inventors who face off against one another in an Invent-Off to see who can come up with the most innovative and creative invention. In each episode, two teams brainstorm, choose materials, and sketch and design their idea. Once completed, the inventions are then judged. This program allows kids to showcase their skills in creativity, science, innovation, marketing and teamwork. This program aired on the station's third digital stream, WFGX 35.3.

Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	<p>Some of the non-"core" educational/informational material aired by WFGX-TV is in the form of public service announcements targeted to children. The following is a list of some, but not all, of those PSAs aired during children's E/I programming and during regular programming where children would be expected to be in the audience. CONSTITUTING AMERICA "Something Powerful" 60-sec. Target age - teens. Written and produced by 18-year-old high school senior Laura Leigh Hicks, this message encourages teens to read and know the U.S. Constitution that protects our rights. NATURAL RESOURCES DEFENSE COUNCIL "Junk Food" 60-seconds Targets teens and adults. The average person throws away 24 pounds of food each month. This PSA encourages teens to visit savethefood.com to find out ways to cook, store and share food to prevent waste. UNITED NEGRO COLLEGE FUND "Sydni-Anthem" 60-seconds Encourages teens to invest in their future by staying in High School and then attending College. AD COUNCIL/DIVERSITY AND INCLUSION "We Are America" 60-seconds Encourages young people to confront their own biases and work towards greater respect and acceptance for all Americans, because "love has no labels". U.S. DEPARTMENT OF EDUCATION/BULLY PREVENTION "Witness" 30-sec. Targets kids and teens. Presents the message "be more than a bystander". Be a witness and take action to stop bullying. U.S. FOREST SERVICE "Kubos Grand Adventure" :30 Features animated characters telling kids that adventure can be found anywhere, but the best place to begin is in the forest. Visit DiscoverTheForest.org. AD COUNCIL/COLLEGE ACCESS "Keys to College" :30 Target age - teens. Directs students to GetSchooled.com, a free comprehensive website that coaches students to college success by offering tips on high school coursework and college applications, and the financial aid and scholarship process. ARBOR DAY ORG "It's Your Nature ... Explore" 30-sec. Targets kids. Encourages children to get out and grow by exploring nature. UWF Historic Trust "Come Explore" 15-sec. Targets kids and teens. Encourages children and teens to visit our local museums and historic districts in order to "discover Pensacola". NATIONAL HIGHWAY TRAFFIC SAFETY ADMINISTRATION "Both Eyes on the Road" 30-seconds Targets Kids and Teens When driving, don't look at texts on your phone ... keep both eyes on the road and stay alive. FLORIDA FISH AND WILDLIFE CONSERVATION COMMISSION "Sea Turtles" 60-sec. Features kids educating other kids about protected sea turtles. Their message is "Florida Kids care about conservation". ENTERTAINMENT INDUSTRY FOUNDATION "Life" 30-sec. and "No Smoking Squad" 60-sec. Written and produced by young filmmaking teams, these spots are designed to educate teens about the risks and side effects of smoking, and encourages teens to abstain from using tobacco products.</p>

Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Supported by a team of Georgia Aquarium biologists, veterinarians and other experts, Jeff Corwin travels the world to explore the Earth's least understood resource, our oceans and waterways and the animals which call them home. He swims with manta rays, pointing out that their body form was the inspiration for the design of the Stealth jet. While in the water with whale sharks, he takes samples of their blood to better understand their biology. As Jeff continues his journey through each episode, the viewer is able to connect with these animals and learn how important they are to all life on the planet, as well as how sea life connects to life on the rest of the globe. This program will air on the station's primary digital stream, WFGX 35.1.
