Length of Program	30 mins
Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The Coolest Places on Earth is a children's program for a 13 - 16 year of target group that shows some of the most gorgeous places on earth. It explains how they came to be, when to see them best, and thankfully, the natural laws behind their unique existence. The optics of Italy's Blue Grotto are explained as is the origin of Ngoronga Crater, and the Mayan mysteries of Machu Picchu. But although a great amount of information is passed along, it is never pedantic. The information shared, important to the development of the 13-16 year old target group, comes in a light narrative-the conversation tone of an awed friend.

Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	Due to a technical error at the Bounce network, the E/I children's programs, "All In with Laila Ali, " and "Everyday Health," were aired without the E/I graphic through October 15, 2016. Some episodes of the E/I program, "Culture Click" aired without the E/I graphic through November 5, 2016. The network was put on notice and it remedied the issue, and WFXG has implemented additional procedures to monitor the presence of the E/I graphic. Most of the affected programming was re-aired with the E/I symbol on Sundays from 10am-1230pm, October 30, 2016 - December 11, 2016. Due to prior commitments with sports and paid programming contracts, WFXG was unable to air all of the Bounce network makegoods scheduled.
