| Describe the<br>educational<br>and<br>informational<br>objective of<br>the program<br>and how it<br>meets the<br>definition of<br>Core<br>Programming. | This program is a musical variety show that is driven by three siblings, and empowers children to accomplish their goals and their dreams. AZE2 accomplishes this through interviewing people who excel in their profession and have a positive message for kids. As hosts, these children entertain and inform their audience through song, dance, music and dialogue. This show supports and encourages respect for others, having integrity, following directions, putting forth your best effort and taking responsibility; which is a wonderful message for American youth. This program is an upbeat, diverse and entertaining series that will inform young people on a variety of subjects, while keeping their interest. | Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Ocean Mysteries offers a fresh approach to the quest for aquatic understanding by blending stories of fascinating sea creatures, comparisons to popular land animals, and analogies to human experience. Hosted by Jeff Corwin, Ocean Mysteries is produced for ages 13-16 and beyond by showing how animals share the same behaviors, challenges and triumphs that humans do. From exciting rescues of abandoned animals to unexpected conflicts in the family dynamics of the mingling species, viewers will get to know and care about these heroes, and all of the fascinating life teeming in our oceans. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | A weekly half-hour series that explores the fascinating components of the human brain and how they shape our perceptions and everyday lives. Produced for ages 13-16, Brain Games: Family Edition's host Jason Silva opens each episode with an exercise for your mind which will often leave you scratching your head. These exercises will serve as a jumping-off point for a deep dive into the reality of human perception and the fascinating ways that our brain functions. Each week, Jason Silva will explore a variety of different topics including visual perception, memory, skill learning, decision making and many more. Brain Games: Family Edition educates and inspires viewers by presenting a series of experiments and activities designed to help people improve cognitive function and use their brains better, smarter and faster. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Hatched is an educational and informational series dedicated to teaching children ages 13-16 about how to successfully pursue their entrepreneurial dreams. Each week, a seasoned team of business leaders instructs entrepreneurs about the basic but critical business skills needed to bring a product from concept to the marketplace. A unique program that combines entertainment with business school, Hatched will focus on the skills needed to launch a product. It will help young people develop the confidence and business savvy to execute a detailed business plan that includes product pricing, packaging, marketing and investment strategies. Hatched brings young entrepreneurs to the table encouraging them to step up and seize their dreams. |

| Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3. | W16AX translates the signal of WSYT. During the 4th quarter of 2016, W16AX aired many PSA's targeted toward children. Each of these PSA's addressed multiple children's issues such as internet safety, health, food choices, environmental awareness and the importance of education. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | This program is a musical variety show that is driven by three siblings, and empowers children to accomplish their goals and their dreams. AZE2 accomplishes this through interviewing people who excel in their profession and have a positive message for kids. As hosts, these children entertain and inform their audience through song, dance, music and dialogue. This show supports and encourages respect for others, having integrity, following directions, putting forth your best effort and taking responsibility; which is a wonderful message for American youth. This program is an upbeat, diverse and entertaining series that will inform young people on a variety of subjects, while keeping their interest. This program will air on the secondary digital stream,CH19.2. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Ocean Mysteries offers a fresh approach to the quest for aquatic understanding by blending stories of fascinating sea creatures, comparisons to popular land animals, and analogies to human experience. Hosted by Jeff Corwin, Ocean Mysteries is produced for ages 13-16 and beyond by showing how animals share the same behaviors, challenges and triumphs that humans do. From exciting rescues of abandoned animals to unexpected conflicts in the family dynamics of the mingling species, viewers will get to know and care about these heroes, and all of the fascinating life teeming in our oceans. |
