Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The American Athlete interviews sports stars of extremely high distinction and repute in their respective fields. The artists share their trials, tribulations and growing pains, children and teens ages 13 to 16 particularly relate to these life experiences. The athletes instill self confidence, perseverance, and the need to achieve similar goals among young viewers. The series offers and satisfies certain key educational and emotional needs by providing the viewer a sense of discipline, rigor and a want to attain perfection in whatever field he or she sets their mind to.
