Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Animal trainer Brandon McMillan operates a training facility known as the Lucky Dog Ranch where his mission is to rescue hard-to love and untrained dogs and find them homes. The show focuses on exercising responsibility and on developing a sense of appreciation for life and animals. Life lessons are an integral part of the theme of rescuing these animals from death and providing a second chance for life. In order to accomplish his goal, McMillan must investigate what each animal needs to find the appropriate method to retrain them so that they will make welcome members in a family. Through watching his interaction with these animals, the viewer is encouraged to be sensitive to our own and other's behavior as well as showing how we as individuals can make a difference. This program aired on the station's main channel.

Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F. R. Section 73.671, NOTES 2 and 3.	CHECK YOUR HEALTH - ongoing campaign - KUTV solidified the long-term working relationship with the Department of Health & Intermountain Healthcare for Check Your Health and Baby Your Baby. Check Your Health is a campaign that includes media coverage on KUTV & with the Simmons radio group. Commercials and stories are run that encourage viewers to make good choices, be active and eat healthy. This campaign has a broad range that we are trying to reach; male, female, old and young. BABY YOUR BABY - on going campaign - this campaign focuses on women 18-35, sharing the message of seeing your doctor 13 times during your pregnancy and by the 13th week you are pregnant. We cover stories, have in studio interviews and maintain multiple social media platforms that encourage women to participate in pre-natal and post-delivery care. STEM - KUTV is teaming up with STEM to help promote science, technology, engineering and math through best practices in education. The objective is to ensure connectivity with industry and Utah's long-term economic prosperity. Through legislation, there is money for applied science technology products focused specifically Career and Technical Education (CTE) courses in grades 7 and 8 across the state. Spots are aired on KUTV and feature students and their successes to spread the word about this education centric organization. Even when school is out of session, viewers can find STEM promotions running on KUTV. RIDE FOR LIFE - KUTV is committed to supporting the Ronald McDonald House through the Ride For Life campaign. Ronald McDonald House provides a caring home away from home for families of seriously ill or injured children being treated at local hospitals. The RMHC offers in hospital respite areas for parents of pediatric patients. KUTV is thrilled to highlight this organization in various ways, including live shots with KUTV anchors during our AM and Noon shows. We hosted the "Pig on the Plaza BBQ" fundraiser where the public could buy lunch /donate to the cause and watch televised interviews live, outside KUTV studios. The day of the Harley ride, we did a live shot as well a package featuring the event on our news. KUTV talent attended the registration event to increase public participation.
