Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This series centers on Mark Curry exploring and teaching audiences about various types of animals. Although studio-based, audiences are taken on an exciting journey as they leave the studio to learn about animals in an educational and fun way. From the everyday, household pet to the massive spectacle of the rhinoceros, Curry delves into all sorts of animal kingdoms. Not only does one gain a further knowledge about animals that he or she would study in school, but more importantly minds are opened to new and exotic animals, animals that perhaps one has never seen. This episodic content will further the educational, information needs of children 13-16.
