Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This half-hour weekly series is designed and produced to educate children aged 13-16 about the rescue, rehabilitation and, in many instances, release back into the wild of ocean wildlife. Sea Rescue offers educational and entertaining television by demonstrating the welfare and medical benefits that rescue and rehabilitation programs provide animals. This program seeks to educate viewers that there's a reciprocal benefit to sea animal rescue: rescued animals provide valuable insight into their biology and ecology and the information obtained adds to the pool of knowledge necessary to conserve threatened and endangered species. Each week, Sea Rescue seeks to leave its audience inspired by the real-life stories of the featured animals and rescuers and with a fuller understanding of the rich array of sea life with which we share our planet.

Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	Each Sunday we also air programs that celebrate the rich diversity of Houston and highlight issues, trends, and important people within our various communities. These programs are Crossroads (focusing on our African American community), Viva Houston (focusing on our Latino community), and Visions (focusing on our Asian American community). We air on average 25 to 30 PSA's per week in various dayparts on our 13.1,13.2 and 13.3 stations specifically beneficial to children. We currently have 10 different PSA campaigns representing children's interests, such as The Partnership for a Drug-Free America and Big Brothers/Big Sisters of America. We also have given and continue to offer tours of our studios to various student groups and scout troops. During those tours the children get to meet our on-air personalities and even get to appear on camera if they are here for our Eyewitness News at 11 am (and time permitting). Finally, our anchors and reporters are very involved with the community, speaking to students at schools and supporting various charities. KTRK-TV's current license expires on 08/01 /2022.

Program Title	Sea Rescue (13.1)
Origination	Syndicated
Days/Times Program Regularly Scheduled	Saturdays/12:00-12:30 PM CT
Total times aired at regularly scheduled time	14
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This half-hour weekly series is designed and produced to educate children aged 13-16 about the rescue, rehabilitation and, in many instances, release back into the wild of ocean wildlife. Sea Rescue offers educational and entertaining television by demonstrating the welfare and medical benefits that rescue and rehabilitation programs provide animals. This program seeks to educate viewers that there's a reciprocal benefit to sea animal rescue: rescued animals provide valuable insight into their biology and ecology and the information obtained adds to the pool of knowledge necessary to conserve threatened and endangered species. Each week, Sea Rescue seeks to leave its audience inspired by the real-life stories of the featured animals and rescuers and with a fuller understanding of the rich array of sea life with which we share our planet.
